

NOTICE

WE HAVE REVISED OUR CHARGES

Dear Customer,

The Coronavirus disease (COVID-19) has been declared a pandemic by the World Health Organisation. In line with Ministry of Health guidelines and in partnership with Uganda Bankers' Association, Orient Bank is taking all necessary steps to protect our customers by restricting the spread of the Coronavirus.

We have provided hand sanitizers at all our offices and branches for customers and staff as well as gloves and face masks for staff to prevent the spread of the virus.

In order to limit contact, we encourage you to use our digital channels as much as possible to conduct your daily banking activities and make payments.

To support this initiative, we have reviewed our pricing on selected services for the next 30 days effective 25th March 2020 as below:

- Free bank to wallet transactions
- Free cash withdrawals up to Ugx. 50,000 per day at all Orient Bank ATMs

As an alternative to cash and branch visits, we encourage you to use our alternative digital banking channels.
